12 Hour Single Port – SURS Robotic Marathon

October 29th, 2022
7:45 am - 8:00 pm CST

[SURSroboticsurgery.org](https://sursroboticsurgery.org)

This online event offers twelve hours of non-stop live, semi-live cases and mini-lectures on single port robotic surgery in Urology. The purpose of the meeting is to provide highly valuable education to urologists in USA and abroad about the use of the new single port robotic platform to surgically treat urology conditions in a more minimally invasive way. Prerecorded sessions will begin at 8:00pm and end at 1:00am CST.
